### WHAT THIS VEHICLE PASS CONTAINS

Officially registered maintenance and service data for the vehicle.

- Maintenance and service events
- Date and odometer reading per registration
- Registered work and parts (if available)
- Basic vehicle data (make, model, year)

### WHAT THIS VEHICLE PASS DOES NOT CONTAIN

This report contains registered facts only.

- No opinions or technical assessments
- No assessment of the current condition
- No warranty or buying advice
- No unregistered or informal maintenance
- No repairs that have not been officially recorded

Please note: the absence of a registration does not necessarily mean that maintenance did not take place.
